

# ***Beyond Crossroads* Summer Workshops**

July 10–11, 2008 in San Diego, CA  
June 6–7, 2008 in Colorado Springs, CO

## **The BC Way: Embracing Change for Continuous Improvement**

Implementing the standards outlined in *Beyond Crossroads* means making a commitment to continuous improvement in instruction to enhance student learning. Embracing the call to continuous improvement is a key component of professional growth. The attendees of these workshops will use the *Beyond Crossroads* Implementation Cycle to develop, assess, and improve projects of their choice.

Each two-day workshop/conference will have multiple sessions to choose from. There will be common plenary sessions and concurrent break-out sessions and opportunities to work on specific projects and/or to focus on specific aspects of *Beyond Crossroads* standards and recommendations.

### **Goals for attendees:**

- To grow as professionals and embrace change and continuous improvement in their classes.
- To implement the messages of *Beyond Crossroads* in order to develop effective strategies for courses, departments, faculty, and colleges.
- To learn assessment strategies at the class, course, and programs levels, including Scholarship of Teaching methodology.
- To create an “Implementation Plan” for a project of choice.

### **Conference Site and Lodging**

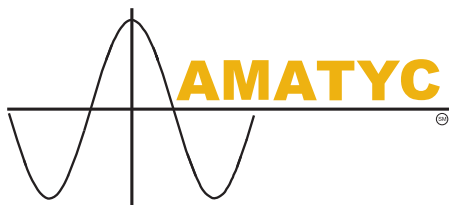

The June 6-7 workshop will be held on the Centennial Campus of Pikes Peak CC in Colorado Springs. The July 10-11 workshop will be held at the Town and Country Resort and Convention Center in Mission Valley, at the heart of San Diego. Participants will be responsible for making their own hotel reservations after the application process is complete. Visit [www.amatyc.org](http://www.amatyc.org) for updated information.

### **Registration Information**

The registration fee for Colorado Springs is \$150 for AMATYC members and \$225 for non-members, including lunches for both days. The registration fee for San Diego is \$130 for AMATYC members and \$205 for non-members, no meals included.

### **Application Procedure and Timeline**

Application materials are available at [www.amatyc.org](http://www.amatyc.org). Applications must be submitted by April 18, 2008. Complete the Registration Application Form at [www.amatyc.org](http://www.amatyc.org) or contact Bruce Yoshiwara at [bcic@amatyc.org](mailto:bcic@amatyc.org) for more information.
